

WELCOME

# Congratulations on your new Hypervolt GO

You are one step closer to moving better, feeling better, and being a better version of you. The Hypervolt GO was created to keep you doing what you love. Whether you're an elite athlete, weekend warrior, or simply trying to get your body to feel its best, the Hypervolt GO will help you get there... and then some.

## NEXT STEPS

# Let's get started

**1** Register your device at [hyperice.com/register-product](https://hyperice.com/register-product) to activate your warranty and ensure easy returns, repairs, or refunds.

**2** Download the **Hyperice App** to get the most out of your new Hypervolt GO, or any Hyperice device.

**3** Charge your device by plugging in your new Hypervolt GO with the provided Hyperice charger. Fully charge the battery for up to six hours before first use.

**Have questions?** Call 1.855.734.7224, chat live at [hyperice.com](https://hyperice.com), or email: [customersupport@hyperice.com](mailto:customersupport@hyperice.com).

# Moving better, made simple

## 1 Power up

With your hand on the handle, press down on the power/speed button with your index finger. Hold for two seconds until the LED band (bottom of handle) illuminates and release. **Your Hypervolt GO is now ready for use.**

## 2 Adjust speeds / power off

Choose your desired speed (1-3) by pressing the power/speed button once per speed. The blue lights on the bottom of the handle will indicate speed setting. To power off, simply hold the power/speed button down for two seconds.

## QUICK START GUIDE

### **3 Changing attachments**

Choose desired head attachment and insert directly into the shaft/opening while pushing firmly and slightly twisting.

### **4 Recharging**

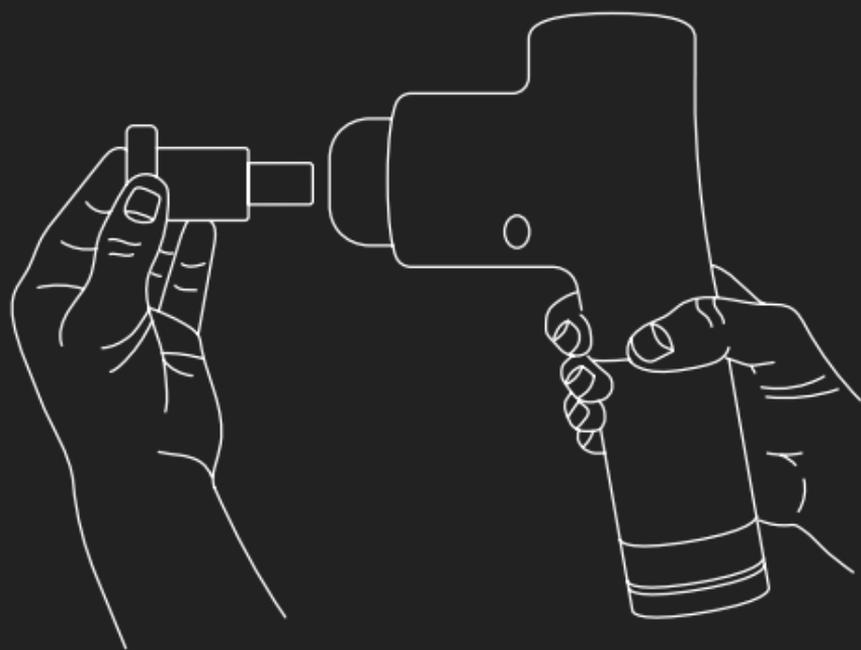

Only use the provided Hyperice wall charger to uphold warranty. Full charge is indicated when the LED band on the handle stops flashing and becomes solid green.

### **5 Caring for your 'GO'**

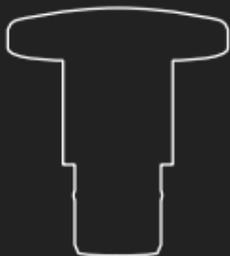

Make sure the power is OFF and the battery charger is not attached. Use a damp, clean, cloth and gently wipe your Hypervolt GO. Store in a clean, cool place when not in use.

HEAD ATTACHMENTS

# Choosing the best head attachment

## HEAD ATTACHMENTS

### Flat

**Larger surface areas** such as quads, hamstrings, back, and chest.

### Bullet

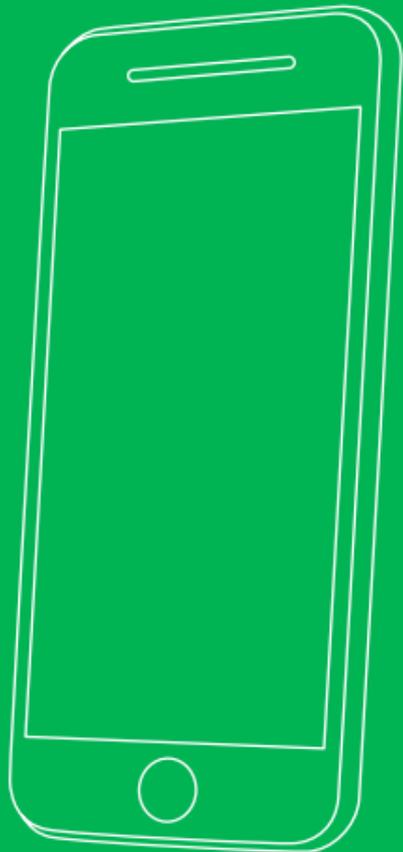

**Trigger points** found in glutes, hips, traps, shoulders, and other complex muscle groups.

**Want to learn more?** Visit [hyperice.com/how-to](https://hyperice.com/how-to) for video tutorials on your Hypervolt GO or any Hyperice device.

HYPERICE APP

# The next generation of Hyperice

Transform the way you move with the latest innovation by Hyperice. Powered by HyperSmart™, the Hyperice App seamlessly blends your physical and digital activity to create an experience entirely customized to you.

## HYPERICE APP

### **Connect to health and wellness apps**

Connect to apps like Strava and Apple Health for a more personalized experience.

### **Guided sessions**

Guided warmup, recovery, and maintenance sessions.

### **Exclusive content**

Exclusive content from the world's best athletes, trainers, and physiotherapists.

### **Operate your devices**

Operate your Hyperice Bluetooth® connected devices.

Apple Health is a registered trademark of Apple, Inc. and used under license. Strava is a registered trademark of Strava, Inc. and is used under license. The Bluetooth® word mark and logos are a registered trademark owned by Bluetooth SIG, Inc. and is used under license.
